

Appendix A

The services listed below were obtained by searching the AIRS Taxonomy using keywords such as “Life” or “Skills” instead of “Life Skills” and “Drug” or “Alcohol” instead of Alcohol or drug abuse services”. You can pull these service items up in the AIRS Taxonomy by typing any item below in the search box and clicking “Search”. If your agency does not provide a service below, then you do not need to add that to your services quicklist.
